529 Greenwood Ave SE,  
East Grand Rapids, MI 49506

Landscape Architect Immediate Opening:  
1-5 Years, Full-Time Position

If you are looking for a position that offers the opportunity to work on a range of diverse projects, please contact us. We are an award-winning Landscape Architectural and Architectural firm that provides services for Park and Recreation projects, Downtown Planning and Streetscapes, Sports and Recreation Facilities, Site and Community Master Planning, and a wide range of other interesting site design projects.

We are seeking an individual with excellent academic credentials who is interested in working on high-profile projects. If you are interested in a position with outstanding personal/professional growth, contact us.

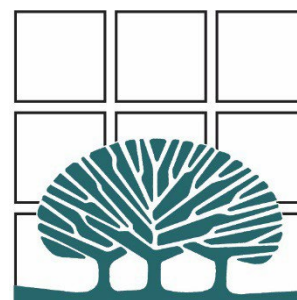

Qualified applicants must have experience and professional skills in preparing Site Plans, Construction Documents, Master Plans and Presentation Graphics. Applicants must be experienced with AutoCAD, Adobe Creative Suite, Sketch-Up and MS Office.

Located in the City of East Grand Rapids, our office is near the creative hearth of the Greater Grand Rapids Metropolitan Area. As a world class City, the Grand Rapids community provides various levels of social amenities and with forward thinking environmental features.

Bachelor's Degree in Landscape Architecture from an accredited United States University required.
