529 Greenwood Ave SE,
East Grand Rapids, MI 49506

Landscape Architect Immediate Opening:
Entry Level, 1-5 Years of Experience, Full-Time Position

If you are looking for a position that offers opportunities to work on a range of interesting projects, please contact us. We are an award-winning Landscape Architectural and Architectural firm that provides services for Park and Recreation projects; Downtown Planning and Streetscapes; Sports and Recreation facilities; Site and Community Master Planning; and a wide range of other interesting site design projects.

Our office is in the City of East Grand Rapids, Michigan, a village-like, traditional community adjacent to, and part of the Grand Rapids metropolitan area. The Grand Rapids community providing all levels of social amenities and with great environmental features.

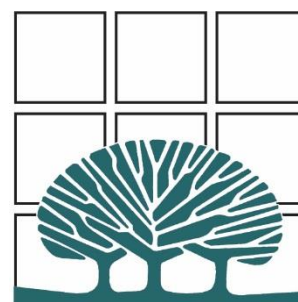

We are seeking individuals for positions who have excellent academic credentials, and are interested in working on high-profile projects. If you are interested in a position with outstanding personal/professional growth, contact us.

Qualified applicants must have Experience and Professional Skills in preparing Site Plans, Construction Documents, Master Plans and Presentation Graphics. Applicants must be experts in AutoCAD, Adobe Creative Suite, Sketch-Up and MS Office.

Bachelor's Degree in Landscape Architecture
from an accredited United States University
