

Landscape Architects & Planners, Inc. (LAP) is a landscape architecture and planning firm with work in parks and recreation, municipal development, k-12 schools, college/university campuses, commercial development, and housing developments. We have an office in Lansing and are working collaboratively in multiple cities. LAP's team environment is close-knit, family oriented, flexible, and made up of great people who enjoy working together. LAP offers competitive salaries based on experience, with health and retirement benefits.

Position Title -- Location

Landscape Architect – Lansing

Experience Required:

5+ years of experience.

Education Requirements:

Candidates must have a BLA, BSLA, or MLA from an accredited university.

Licensure

LAP is looking for candidates who are either licensed, or working towards licensure.

Position Description:

This position requires a passion for design and development of parks, urban spaces, trails, commercial, industrial, and a variety of housing mixes, and strip mine reclamation. The ideal candidate will be able to participate in all aspects of work, including design, rendering, construction documentation and specifications, providing probable costs, grant writing, planning reports, permitting, site plan approvals, bidding, construction administration, and other aspects of the project load. The ideal candidate will also be comfortable with and capable of coordinating and interacting with clients, other consultants, contractors, suppliers, manufacturers, and other persons involved with our projects.

Technical Skills

Proficiency in AutoCAD, Adobe Creative Suite (InDesign, Illustrator, Photoshop), Sketch Up, GIS (QGIS or other), Microsoft Office Suite (Word, PowerPoint, Excel) a requirement. Optional: BIM.

3D Rendering skills preferred.

Understanding of relational databases and Microsoft Access a plus, but not required.

Knowledge of MDOT, MDNR, and EGLE software, applications, and procedures a plus, but not required.

Contact Information:

Interested candidates should send resumes and portfolio examples to Bob Ford at bford@lapinc.net with cover letters addressed to:

Robert Ford, President
